

Minutes of IQAC Meeting held on 7th July 2017 in the Conference hall at 11.00AM

Meeting No: 1

The meeting was attended by the following members:

- | | | |
|-------------------------|---|-------------------------------|
| 1. Dr.N.O.Varghese | - | Chairman |
| 2. Mr.Nizar M | - | Management Representative |
| 3. Dr.Biju Balachandran | - | Administration Representative |
| 4. Dr.Presanthila Janam | - | Faculty Representative |
| 5. Dr.Vivek V | - | Faculty Representative |
| 6. Dr.Sudeep S | - | Faculty Representative |
| 7. Dr.Ambili | - | Faculty Representative |
| 8. Dr.Shinu Salim | - | Alumni Representative |
| 9. Dr.Abe Antony | - | Student Representative |
| 10. Mrs.Roshini | - | Employees Representative |
| 11. Dr.Smitha C | - | NAAC Coordinator |

Agenda

1. Welcoming the IQAC members by Chairman
2. Review and action taken of the last IQAC meeting
3. Last year AQAR report summary and evaluation
4. Action plan of next IQAC
5. Any other matter with permission of the chair.

Minutes

The IQAC Chairman Dr.N.O.Varghese welcomed the IQAC members and appraised the members regarding the effective accomplishment of the plan of action proposal of 2016-17 and the preparation of the AQAR of 2016-17 and emphasised on the speeding up of the activities which are in pipeline. Principal also invited the members to contribute their suggestions for the plan of action for the next academic session.

The NAAC coordinator informed the members that the draft AQAR of 2016-17 is ready and it will be submitted before the next Management Committee for approval. She also emphasised on the sustainability of quality in different area of the institution such as academics, research, administration and infrastructure.

The IQAC Chairman introduced the plan of implementation of microteaching process (MILA) as advised by the top management and other educationists globally. It was decided to follow Multiple Interactive Learning Algorithm (MILA) – a Canadian Dental Education System to provide individual attention to students and impart effective, enthusiastic teaching learning environment.

2. Activities to be conducted by IQAC during the year 2018-19.
3. Best Practices to be adopted during the year 2018-19
4. Any other matter with permission of the Chair

Minutes

The IQAC Chairman Dr.N.O.Varghese welcomed the IQAC members and Dr.Smitha, NAAC Coordinator to read the minutes and the action taken of last IQAC meeting held on 17th November 2017.

1. Review of Teaching – Learning and Evaluation

IQAC Chairman informed that the preparation of Academic Schedule for the year 2018-19 of each batch to be started and the work is assigned to Associate Dean (Academics). Associate Dean (Academics) is also assigned the preparation of Academic year planner and it should include the topics to be covered by each faculty on specific date with duration. Dr.Sudeep suggested that apart from the prescribed syllabus, content beyond syllabus is also to be provided by the faculty members to widen their knowledge in every subject. The committee decided to identify the slow learners of each batch through aptitude tests and special training is to be given after the working hours.

2. Activities to be conducted by IQAC during the year 2018-19

The NAAC Coordinator told that the activities to be conducted by the IQAC during the year 2018-19 to be listed out. The Committee members discussed the matter and listed out the plan of action for the year 2018-19.

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

- As instructed by the Chairman, the International Faculty Week to be conducted during the year 2018-19. The Committee decided to assign Dr.Sivakumar for preparing an outline for the program.
 - As directed by DCI, a Tobacco Cessation Clinic to be started in the Campus and the same is allotted to Dr.Sivakumar and Dr.Sunjith Sudhakaran.
 - For the implementation of Canadian System of Dental Education in Clinics, renovation works to be done in clinics and Dr.Varun is assigned to prepare the plan for the same.
 - More Research projects are to be initiated. Proposal for the same to be prepared by Director (Research).
- 3. Best Practices to be adopted during the year 2018-19**

The Committee discussed the matter and suggested to introduce a new program “Earn while you Learn” for the students and Interns to make them financially independent. Administrator is assigned to prepare a proposal for the same and to be submitted to the Chairman for approval.

4. Any Other matter

Dr.Prasanthila Janam, Director (CDE) presented the consolidated data of CDEs conducted by all the departments in details and the topics which need to incorporate into the upcoming CDEs. Dr.Sudeep suggested for conducting training in CBCT, Forensic Odontology, Implantology, Laser Dentistry & Exposures in Comprehensive Clinic for the Interns.

Dr. Babu Mathew, Director-Research presented the proposal for the future research projects with fund details and the IQAC team requested him to do Gap analysis in the projects.

It was decided to conduct periodical meetings with staff members for monitoring and ensure the quality of students and department activities. The progress of syllabus completion, performance of students, patient case quota completion of students etc. to be reviewed in the departmental meetings. A meeting calendar to be prepared at the beginning of every year that consists of all meetings like academic committee meeting, departmental meetings, clinical clubs, CDE programs etc.

The meeting came to an end by 12.30PM.

Agenda

1. Implementation of Micro Teaching System in Clinics
2. Implementation of Tobacco Cessation Clinic
3. Initiate International Exposure for Students
4. Any other matter with permission of the Chair

Minutes

Principal informed the Committee regarding the success of implementation of Micro Teaching System introduced in 2nd BDS students as per the academic audit committee report and the students' feedback system. The Committee assigned Administrator to do the necessary renovation works in the Clinics to implement the Micro Teaching System at the earliest.

Principal put forward a proposal for initiation of a Tobacco Cessation Clinic in the College as a part of the resolution taken on the World No Tobacco Day for which the Committee entrusted the Department of Oral Pathology to do the needful to start the same. The responsibilities of the Clinic to be assigned to Dr.Sivakumar and Dr.Sunjith.

The Alumni representative presented a proposal to invite some renowned International Faculty members to get more exposure in the various advanced dental treatments to the students. The IQAC members accepted the proposal and decided to present the proposal before Chairman for approval.

PMS COLLEGE
OF
DENTAL SCIENCE & RESEARCH

Principal suggested to make the Research and Publication Department more active, the publication of College Journal and College Magazine should be resumed and Dr.Babu Mathew Director (Research) should take the matter seriously and to start the work for the same.

For the preparation of the NAAC SSR for the forthcoming 2nd cycle accreditation, NAAC Coordinator appraised the need of reconstitution of the IQAC for developing a system for conscious, consistent & catalytic improvement in the overall performance of Institution. The committee unanimously accepted the same and the new list of IQAC members shall be forwarded to Chairman's approval.

Agenda

1. Revised AQAR submission protocol
2. Infrastructure improvement for Research
3. International & National Academic Collaborations
4. Implementation of Comprehensive clinic system

Minutes

IQAC Chairman presented the minutes of previous IQAC meeting and the action taken report. He informed the members that the new IQAC members list for the reconstitution of IQAC as per new guidelines has been approved by the Chairman and the new IQAC will be functional from the next IQAC assembly. He introduced Mrs.Deepa K Nair as the Coordinator in-charge in the absence of IQAC Coordinator.

IQAC Chairman informed the committee members regarding the change in AQAR submission process communicated by NAAC Office. Hence AQAR 2017-18 stayed pending. He explained the revised submission criteria and guidelines to the IQAC members. He explained the process of online submission of data for which web links are to be created and the coordinator in-charge shall look into the matter.

PMS COLLEGE
OF
DENTAL SCIENCE & RESEARCH

Dr.Ambili mentioned the requirement of infrastructure improvement for research for which she presented a list of higher end research equipment and the committee assigned Finance Manager and Quality Manager to do the proceedings.

Dr.Biju Balachandran submitted a proposal of an MOU with CITC, Switzerland for academic collaboration of teaching courses and master degree programs in the field of implantology, oral surgery, periodontology, prosthodontics, maxillofacial surgery and other related dental subjects. The management representative advised to prepare and submit a draft MOU in the next meeting.

In order to initiate MILA in clinical subjects, Dr.Rajesh Pillai suggested the need of establishment of Comprehensive Clinic system for which renovation of the clinics are mandatory. The committee put forward the same to the Management Representative to discuss with the Chairman and decided to assign Associate Dean (Clinics) to submit the estimate for the same.

The meeting came to an end by 12.30PM.

PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

The Coordinator mentioned about the upcoming IDA National conference, which is going to be conducted at Trivandrum District. She also announced that PMS Dental College will be the academic partner for the event. The whole event will be for 4 days and IDA will provide a stall space for the College. The Committee Entrusted Administrator, Dr. Sudeep, Dr. Pratheeksha and Dr. Varun to look up on the matter and assigned Administrator to do the needful to make a written agreement with IDA for the same.

Further the coordinator requested all the members to take up the responsibility of collecting data for at least one criterion by one member as per the AQAR format. All the members unanimously agreed to take up the responsibility. Principal informed the members regarding the College being the academic partner for the current year IAOMP and hence to conduct the pre-conference courses/ workshops associated with the same in the college itself. The committee members unanimously approved it and Dr.T.T.Sivakumar and Dr.Varun entrusted to take up the responsibilities to all the preparations for the national conference of IAOMP.

Dr.Sudeep S suggested initiating a YouTube channel for initiating a multimedia communication platform for imparting general public awareness regarding various dental topics. The committee appreciated the suggestion and entrusted the Administrative officer for its achievement.

The Principal appraised the information regarding the KUHS approval as center for Ph.D program in Department of Oral Pathology, Periodontics, Oral Medicine & Radiology and Pedodontics. Principal congratulated the entire faculty for the background work for this achievement.

Administrative Officer put forward the proposal for conducting the annual sports and arts day, Annual College day, and the convocation for the current interns batch.. The committee entrusted Dr.Afsal A and Deepa K Nair to initiate the preparation for the smooth conduct of college day function.

Dr.Presasnthila Janam put forwarded a proposal to conduct a special lecture by International Faculty for the Junior Residents along with the finishing school program, aiming to impart a wider and advanced learning exposure to the students.

The committee entrusted Dr. Rajesh Pillai to prepare a proposal for the same as a part of strengthening the scientific and research aptitude among the students.

Dr. Ambili proposed to conduct a few scientific talks and symposium etc. The committee entrusted Dr. Vivek V to discuss the topics with Dr. Babu Mathew, the Research Dean and do the needful for the same.
