PERIODONTAL PERSPECTIVES IN IMPLANT SITE PREPARATION AND PERI IMPLANTITIS MANAGEMENT

CDE PROGRAM

ORGANIZED BY
DEPARTMENT OF PERIODONTICS & CDE COMMITTEE

MONDAY
OCT 30 2023

TIME : 08:30 AM TO 03:00 PM

VENUE : Dr.R AHMED CENTRAL AUDITORIUM

Contact Person: **+91 9544639400**
cde@pmscollege.ac.in

RELEVANCE OF THE TOPIC

Implant site development in terms of soft and hard tissue is often a challenge faced by implantologists. So, a basic understanding of the available procedures for soft and hard tissue augmentation will benefit the practitioners in performing esthetically driven implant placement. Similarly, the prevalence of peri-implant complications is also increasing. It's often an ignored area. So, a better understanding of its prevention and treatment will benefit practitioners and students alike.

TOPICS TO BE COVERED

IMPLANT SITE DEVELOPMENT

1. The role of five triangles
2. The Importance of Buccal Plate
3. Gingival Biotype around the Prospective Site
4. The Jumping Gap and the Role of Grafting
5. Selection of Implants
6. The Importance of Primary Stability
7. Soft tissue management around implants

PERIIMPLANTITIS

1. Gingivitis vs Peri implant Mucositis
2. The 2017 Classification Impact on Peri-implant Diseases
3. Onset & Progression
4. Host & Biomaterial Risk Factors
5. Treatment Strategies

SPEAKERS

DR. R. VISWA CHANDRA

MDS, DNB, PhD

Dr R Viswa Chandra is currently the Professor & Head of the Department of Periodontics, SVS Institute of Dental Sciences, Mahabubnagar, Telangana. He has completed BDS from AME's Dental College, Raichur in 2001 and MDS from MCOBS, Manipal in 2005. His thrust areas include Research, Regenerative Periodontics and Implantology. He is also a clinical trials specialist having handled a wide range of studies from genetic to biologics-oriented product development as applicable to Dentistry. In the current institution, he is heading a research team capable of conducting clinical trials through intra and inter-institutional approaches with specific emphasis on the eventual commercialization of a product. He has given guest lectures at several national conferences and has many national and international publications to his credit

DR AMBILI . R

MDS, PhD, FDS RCPS

Dr. Ambili. R completed her BDS and MDS from Government Dental College, Trivandrum, and PhD in the faculty of dentistry from the University of Kerala. She is a Fellow of the Royal College of Surgeons and Physicians, Glasgow, UK. She Completed Nobel Fellow program in "Implant and Esthetic Dentistry" held in Kochi in 2011. She is currently working as Research Director and professor and head, Department of Periodontics at PMS College of Dental Science and Research, Trivandrum. She has more than 13 yrs of postgraduate teaching experience and is currently guiding PhD students at the Kerala University of Health Sciences. She is the recipient of the best teacher award by KUHS in the year 2022. She has published extensively in high-impact international journals and is a reviewer of many international journals. She had been invited to deliver guest lectures at various national and state-level programs.

DR JOHN ROSHAN

Dr. John Roshan, Reader at the PMS College of Dental Science & Research, Department of Implantology is a proud member of the American Academy of Implant Dentistry, a distinguished organization that recognizes excellence in the field of Implantology. Dr. Roshan's extensive knowledge and experience in this area have made him a valuable contributor to the scientific community, as evidenced by his numerous publications.

PROGRAM SCHEDULE

08:30 AM

09:00 AM

REGISTRATION

09:00 AM

09:15 AM

INAUGURATION

09:15 AM

10:15 AM

LECTURE 1: IMPLANT SITE DEVELOPMENT-HARD
TISSUE CONSIDERATIONS - DR VISWACHANDRA

10:15 AM

11:15 AM

LECTURE 2: IMPLANT SITE DEVELOPMENT-SOFT
TISSUE CONSIDERATIONS - DR AMBI R

11:15 AM

11:30 AM

TEA BREAK

11:30 AM

12:30 PM

LECTURE 3: PERIIMPLANTITIS -DIAGNOSIS, RISK
FACTORS AND PREVENTION - DR VISWACHANDRA

12:30 PM

01:30 PM

LECTURE 4: MANAGEMENT OF PERIIMPLANTITIS
DR JOHN ROSHAN

01:30 PM

02:30 PM

LUNCH

TARGET AUDIENCE

PGS, INTERNS,
