PMS COLLEGE OF DENTAL SCIENCE & RESEARCH

REPORT

On 15/3/2023 a CDE on "The right bite key to a healthy stomatognathic system" was organized by Department of Prosthodontics Crown and Bridge & CDE Committee PMS College Of Dental Science & Research. This program highlighted the factors influencing occlusion and how to achieve organic occlusion in restorative dentistry

The registration of the delegates started 2 weeks back. It was a paid program with a registration fee of Rs.1000/-. The registration for the CDE programme started at 8:30 am. The event started by 8.45 am with the introduction of the college and a prayer song. Dr. Rajesh Pillai, Principal gave the welcome speech. All the eminent members on the dais inaugurated the ceremony by lighting the lamp. Mr Jiji Thompson IAS, advisor academic & carrier addressed the gathering followed by felicitation by Dr Sudeep HOD department of prosthodontics crown and bridge. Dr. Sangeeth K Cherian introduced the speaker of the day. Dr Rajesh Pillai presented the memento and certificate to Dr. P S Manoharan and Dr. Shyam Mohan followed by vote of thanks by Dr. Sheeba H Gladstone

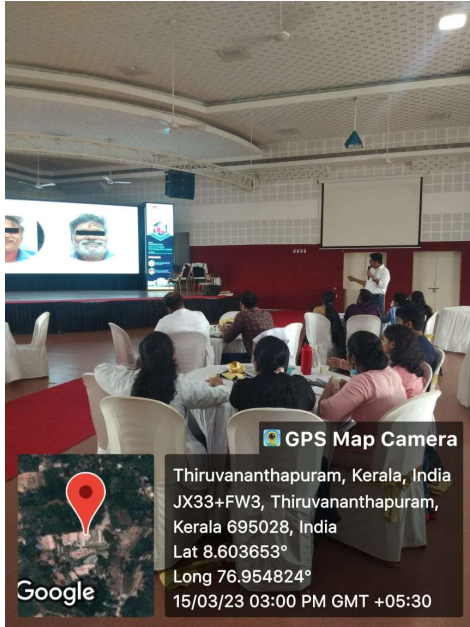

The chief resource person of the programme Dr. P S Manoharan spoke in depth about occlusion and the practical aspects of achieving organic occlusion. Introduction, Basics of occlusion & Concepts in FPD Occlusion was explained Dr. Shyam Mohan A.

The afternoon session included Hands-on session with Demo on Centric relation recording for FMR cases. the CDE programme was concluded with tea and snacks at around 4:30 pm

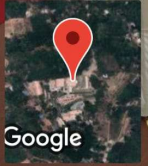

Students were very enthusiastic, appreciative and receptive of the talks and the demo. The program was very informative for the participants as it helped them to upgrade their knowledge about the key to a functional masticatory apparatus.
